Mr A. J. Hammond
442 E. Washington St.
Greensboro N.C.

Dear Sir:

Pardon my delay in answering your letter of April 18th, but I wanted to see Mr Posey to get matters clear in my mind.

It is too bad we were rained out, but that is baseball, and you graw to accept rain when it comes.

I will be glad to get the open dates you have in Greensboro, and if it is possible I will bring The Eagles there again. As you know we cannot go that far from home for one date, no matter if it might be good. We have to keep our men on salary until the last of September, so it is possible we will be able to get back there in September if not before. I will be glad to have you send me all available dates so I can see what can be worked out.

Very Truly Yours
